

Revelation Consulting Group

Empowering Growth Through Training, Research & Strategic Consulting

About Us

Bridging Skills, Strategy & Growth

Revelation Consulting Group is a multidisciplinary professional organization based in Jalukbari, Guwahati, Assam. We specialize in training, research, consultancy, and business development services.

Our approach combines industry expertise, practical methodologies, and AI-driven solutions to create meaningful impact and sustainable growth across Northeast India.

Our Vision

To emerge as a leading consulting and training organization in Northeast India, known for excellence, innovation, and transformative impact.

Our Mission

To deliver accessible, high-quality training and consulting solutions that uplift skills, empower businesses, and support the growth of future professionals.

Our Core Services

Training & Skill Development

Industry-focused programs building job-ready and business-ready skills through practical, hands-on learning models.

Research & Data Insights

Structured research support, market analysis, and data-driven insights for informed decision-making.

Consultancy Services

Strategic guidance for business growth, digital transformation, and operational improvement.

Business Development

Branding, market expansion, and growth strategies powered by modern digital tools.

Career Development

Career guidance, portfolio development, and professional mentoring for long-term success.

Flagship Program
